

HOW TO FIX MY SPOUSE...

AND OTHER EXPECTATIONS THAT DON'T WORK!

Come join us for our first ever Couples Retreat! We will welcome Jerry and Jan Coleman as our speakers for this event. They want to be upfront and honest with us about their ups and downs over the course of 40 years of marriage. Their story includes career changes, living on several continents with 3 children and then the realities of being empty nesters. We will explore God's original purpose for you as a person and for your marriage. Be prepared to think about love...what it is and what it really is...and how we've often gotten it wrong. Will it be worth it? Yes, we think so. You are worth it! Your spouse is worth it!

The retreat will be held at Carson Springs Conference Center in Newport, TN. Each couple will have a private room with bath. Two nights lodging and five meals are included in the \$130 per person registration fee. Contact Paulette Richardson (484-3473) if you have questions.
