God's Messy Family: Finding Your Place When Life Isn't Perfect

Genealogy is widely considered to be one of the fastest growing hobbies in the U.S. We have become consumed with constructing our family tree in an attempt to trace our lineage. Fortunately, the Bible does an excellent job of helping us trace the ancestry of our faith family. As we begin to understand the life stories of Abraham, Sarah, Isaac, Rebekah, Jacob and Esau we find that their pattern looks a lot like ours—we are called, we mess up, and God continues to redeem us. Find out how your “messy family” fits into God’s family and how you are a part of God’s plan for the world.

Book fee: \$10.00

Introduction to the Bible 101

As new and existing Christians, we are told to read our Bibles. But how do you begin? This class is a six week introduction to the Bible to help you get started on reading and understanding the Bible. Each week is an independent study (with no homework, other than to start reading your Bible).

Taught by Charlie Dost
